

Infant & Child Care

► It is important for your pharmacy to offer a wealth of information regarding infant & child medication administration, especially for new parents.

► The PharmaSystems® brand features a variety of oral liquid dispensers, and other medication distributors in a variety of sizes to offer many medication distribution options for all age ranges.

► We recommend the following:

Oral Medication Dispensers:

- **Oral Dispenser 10 mL + tube**
Item #: PS200 UPC: 063636 002008
- **Oral Dispenser 10 mL + brush**
Item #: PS215 UPC: 063636 002152
- **PeeDee Dose 10 mL**
Item #: PS410 UPC: 063636 004101
- **Alligator Spoon 10 mL**
Item #: PS250 UPC: 063636 250348

Medication Distributors:

- **Glass Medicine Droppers**
Item #: PS225 UPC: 063636 002251
- **Medicine Dropper (5 mL) + brush**
Item #: PS235 UPC: 063636 002350
- **Ear Syringe 1 oz**
Item #: PS820 UPC: 063636 820343
- **Infant Nasal Aspirator**
Item #: PS900 UPC: 063636 900342

► Merchandising Opportunities:

Clip Strips:

Any of our products can be merchandised as a clip strip – This is a great solution as it allows you to maximize your merchandising space. We suggest having items like **PS225 (CS225 UPC: 063636 882259) + PS820 (CS820 UPC: 063636 888206)** as clip strips by your pharmacy checkout counter, or hanging within the aisles.

Displays:

Create your own Display! Customize your plan-o-gram & display fixtures to create a unique mix that maximizes your customer's needs. **Contact our customer service department to build your display today!**
