

## Medical ID's

▶ Medical Identification saves lives by providing accurate medical information when needed most.

▶ Bracelets & necklaces aid in accurate treatment while lowering the risk of medical error.

▶ PharmaSystems® offers a selection of medical identification jewelry including:

- Peanut Allergy
- Asthma
- Anti-Coagulant
- Drug Allergy
- Epilepsy
- Heart Problems
- Hypertension
- Bee Sting
- Diabetic
- Coumadin
- Penicillin
- "See Wallet"
- Blank for engraving

▶ With bilingual (English & French) engraving, each ID is polished with stainless steel, and has a raised Red Alert symbol.

▶ Our medical id's are packaged on smaller size blister cards, but we also have blank bracelets & necklaces available on our standard size blister cards to fit within our displays.

▶ Merchandising Opportunities:

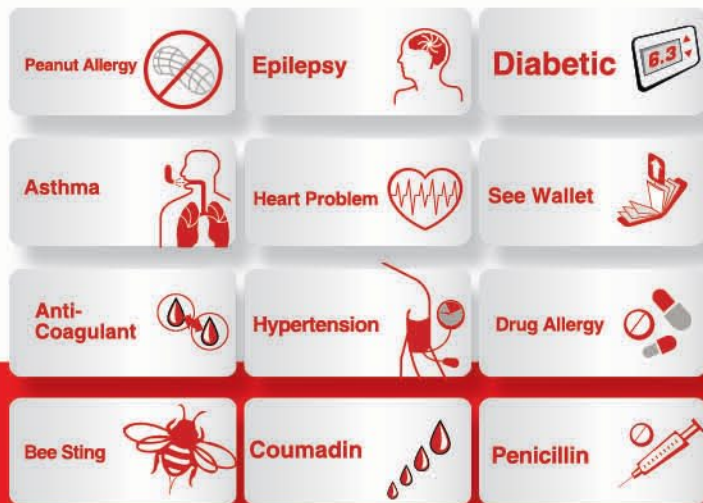

### Counter Displays:

We offer a selection of counter displays that combine both our Medical ID bracelets and necklaces, such as our **Bracelet & Necklace ID Spinner Rack (Item # VR8 UPC: 063636 000080)** containing 32 ID's, and our **Bracelet & Necklace Medical ID Counter Display (Item #: VR9 UPC: 063636 221898)** containing 36 ID's total. Both displays feature our 6 fasted selling pre-engraved bracelets and necklaces, and new children's flower and soccer shaped pendant (available on VR9).
